## How to Play

- Print on heavy paper or cardstock for sturdy bingo cards.

## How to Play (continued)

- Use the light trim guides around each card for straight cuts with scissors or a paper trimmer.
- Hand out unique cards or share the PDF digitally before play begins.
- Call each prompt aloud or let players mark squares as they experience them in real life.
- Let players know which winning pattern counts before you start (row, diagonal, full card, etc.).
- Celebrate the first player to complete a row, column, or diagonal with a loud BINGO.
